EBA Prayer Letter

This week we are at Whitehouse Baptist, Ipswich

Thank you for praying for us – we really appreciate these prayer links with other Suffolk Baptist churches. We thank God for blessings of the past year with our pastor – Palm Sunday 2009 was his first Sunday with us.

Please pray for our Easter preparations and celebrations that these will have an evangelistic thrust as well as a **“renewal” emphasis for us as God’s people here at WBC.**

Please pray for the ministry among young and older: from Boys Brigade and Shapers to Coffee Morning and Lunch Club that we will continue to have brilliant leaders and helpers and that God will give much growth.

Next week we are heading ‘up country’ to hear from the folk at Mildenhall

Link up

The ladies are meeting tomorrow for an Easter video and discussion. The title is **‘Where Jesus walked’.**

The meeting is at 7.45pm, Room 8, old Vicarage.

Spare rib?

At Sunday School they were teaching how God created everything, including human beings.

Little Johnny seemed especially intent when they told him how Eve was created out of one of Adam's ribs. Later in the week his mother noticed him lying down as though he were ill, and said,

"Johnny, what is the matter?"

Little Johnny responded, "I have pain in my side. I think I'm going to have a wife."

Just 42 Easter Holiday Club

Take a look at this poster in the hall where it should be in glorious colour - looks like fun.

Thank you from BMS

We have been very encouraged by the response from churches to the 'Wave of Prayer' over this last weekend, 26th February to 1st March. We really appreciate the support of so many who have prayed.

Thank you for your help

Thanks to all who made soup and helped serve it at the Lent Lunch on Thursday. We served 42 lunches and hope to have made £155 profit for Christian Aid which will be quadrupled.

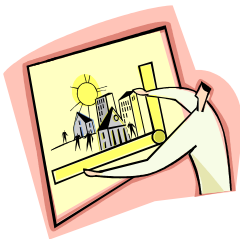

It was definitely worth the hard work!

Buildings day

After the morning service on Sunday 21st March, **that's a** fortnight today, there is a meeting to tell us all about the very latest plans for the development work. We will be able to see drawings and listen to, and question, the buildings group about all the proposed scheme.

The idea is that, at the next Church Meeting, we will be fully informed and able to approve the proposed submissions to the planners. Please make every effort to make time for this very important next step.

God said 'I will build My church' and this is just a bit of our part in it.

Fellowship news and needs

The news that our sister J--- D---- had been called home came after last weeks Quay Notes was prepared. At present we do not have details of her funeral arrangements so please listen out for any notice, or see next weeks QN if it is to be in the following week.

E----- J-----'s **sister S--** is back in hospital and we will be praying for her, and for the family in their concern.

We are pleased to say that R-- J----- is back home after a successful operation at Addenbrookes, and we continue to pray for his full and active recovery, and of course for his family.

Please also pray for the Knowles family in their particular needs.
