

Summer Quay Notes

25th July - 8th August 2010

Welcome to..

*Where people...meet people
...meet God*

*'My God will meet all your needs
according to His glorious riches
in Christ Jesus'*

Philippians 4:19

We are really pleased to see you all here today, especially if **you are visiting**. There are 'welcome packs' with information about our church in the pews for visitors to browse through or to take home. Please join us in the hall for refreshments after the service.

No offering will be taken during the service but there is a box by the door as you enter for your tithes and offerings.

Our crèche is available for under 5s and is run by approved and experienced people from the Fellowship.

Sunday Services

10.30am: **Our summer services are following 'The Story of Jonah'**. The preaching is being shared between our Pastor, Rev Mark Hardingham, and other members of our Fellowship.

EBA Prayer Letter

For 25th July the county is asked to pray for the folk at Elmswell whose message is:-

'We continue to beaver away, praying for a harvest from the many seeds we are sowing in children's work, in the ladies fellowship and monthly Food 'n' Friends Lunch Club.

Remember us as we again welcome John Hardwick to lead a **Children's Holiday Club in conjunction with the other two churches** in the village from Aug 9th to 13th.'

Following this we pray for our brothers and sisters in Christ to the west of us in Cambridgeshire. Many of the churches are in rural situations or small towns, so a very similar picture to Suffolk. really. The compiler of the prayer notes, along with the Baptist Caravan Fellowship visited one at Bluntisham last year which has a good size congregation and lots of young families – a real encouragement – perhaps partly due to their having a young pastor with family – it seems that pastors like policemen are getting younger!

Quay Notes notes

This Summer Quay Notes covers the 3 Sundays shown on the front page.

Esther Hardingham will be producing a further Summer QN for the following 3 weeks, and any items should be given to her.

The first full Quay Notes of the new season will be on Sunday September 5th.

A Norse chestnut!

One day a Viking named Leif returned home after a long sea voyage and he found out that during his absence his name had been removed from the town register.

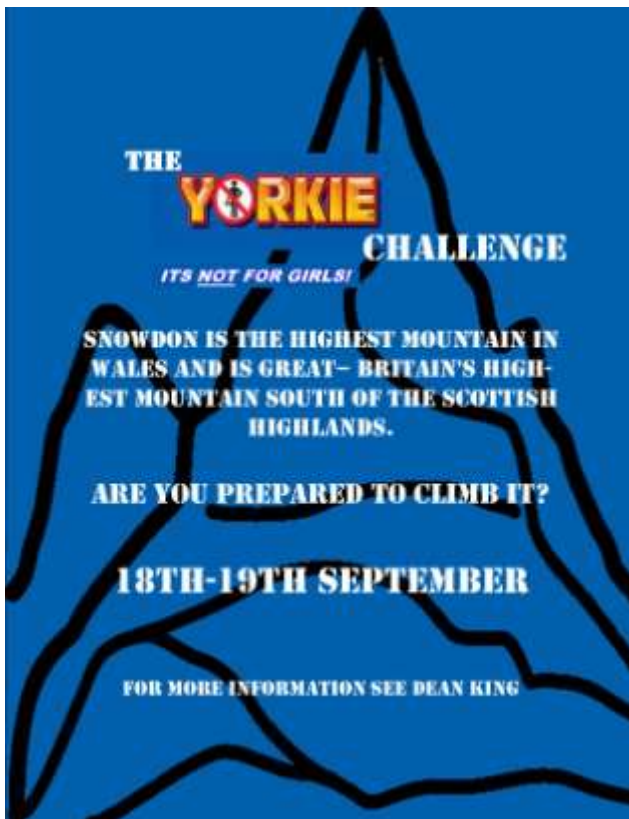

He sent his wife along to the town hall to make a complaint to the mayor.

'I'm sorry,' said the mayor, 'I must have taken Leif off my census.'

Quite a weekend!

Why not begin to loosen up now ready for the Suffolk Historic Churches Bike Ride on Saturday 11th September.

Tony and Corinne Ellam are our WQC co-ordinators for this annual event and they will be able to provide Sponsorship forms for bikers, and for walkers if you prefer.

All money raised for this deserving cause is shared between the riders church and the Historic Churches Trust.

We will also be needing volunteers to be at Quay to record the visitors, and make them welcome.

Volunteer lists will be going up on the notice board beginning of August.

On Sunday 12th September we will be having another Baptismal Service on the lawn outside the church. This will be another point of interest and witness to all the visitors on the Cycle Ride and the Heritage Open Days over this very full and exciting weekend. If that were not enough it will also be the occasion of our Harvest Thanksgiving.

God is good!
